*Welcome to Duff House Royal Golf Club
and the Gents 5 Day Tournament*

As Captain of Duff House Royal Golf Club, it gives me great pleasure to welcome you all here to the 86th year of our Five Day Gents Open Tournament.

In these unusual times the 5 Day Committee will do our best with the changes to run the tournament as smooth as possible while adhering to the current Covid Rules as set by the SGU.

We have been complimented on the condition of the course by members and visitors from afar and I am sure you will enjoy your week of golf on the undulating Mackenzie greens.

Due to the restrictions evening entertainment will not go ahead this year but we hope you can enjoy the atmosphere the club has to offer at night with our caterer doing some theme nights and plenty friends to catch up with and have a chat.

It is custom to support a charity during the Gents 5 Day and this year the chosen charity is Prostate Cancer U.K. We kindly ask you all to support the charity by wearing blue on Tuesday

As you are aware we are now in Covid Level Zero in Scotland and kindly ask everyone to abide by these rules. Always wear a mask indoors until seated at a table and always observe social distancing.

Please scan the QR codes for test and protect purposes.

We are grateful for the continued sponsorship of the tournament by **Bellhaven Brewery and Macduff Distillery**

- Handicap confirmation must be produced when checking in on Monday if asked for. It is the duty of each competitor to notify his exact handicap to the tournament desk before commencing the Monday qualifying round.
- Competitors should report to the desk at least 20 minutes before their tee off time each time they are playing.
- **The 2 qualifying rounds will be based on Playing Handicap**

All competitors will play two qualifying rounds, one on Monday and one on Tuesday. The tee time will be identical on both days. In the event of loss of qualifying days due to bad weather, qualifying will be extended to Wednesday with the number of qualifiers in each section reduced as required.

- **The leading 32 Scratch and best 64 aggregate scores will proceed to match play.**
- **FULL** difference will apply to all Handicap match play ties
- **For qualifying purposes only the sections will be 0-9 and 10-20.**

The Match play draws will take place in the Clubhouse **at approximately 9:30 p.m. on Tuesday night.**

Any player who knows he will be unable to compete in the Matchplay must indicate this on the notice on the board in the foyer no later than 8.00 p.m. on Tuesday and thus not proceed into the match play stages.

All non-qualifiers from the qualifying rounds will be entered into the Consolation Stableford on Wednesday and the draw will be posted after the match play draw. All non-qualifiers from the qualifying rounds together with those competitors defeated in the first round of match play competition may enter the Three Ball on **Thursday.**

Entry sheets will be posted on Wednesday morning at 10.00 a.m.

Handicap revision will take place as follows:

- (a) For Match play stages - after the second qualifying round – Course Handicap will apply
- (b) Consolation Competitions - after the 2nd qualifying round and after each Consolation Competition.
- (c) Rule 19 will not be applied during the Tournament.
- (d) Handicaps will only be revised after the 2 Qualifying rounds.
- (e) The Committee has made every effort to ensure that handicaps have been adjusted appropriately, but remind you that every player is ultimately responsible for monitoring his own handicap and must do accordingly.

LIGHTNING

It can be extremely scary being caught far from the Clubhouse when a thunderstorm strikes. Here are some tips on how to minimise the danger:

1. BE AWARE—Be alert to the signs of changing weather, such as darkening skies, a sudden wind shift or drop in temperature. **Do not ignore instructions to get to safety.**

2. PLAN AHEAD—Plan your evacuation and safety measures in advance. Lightning often precedes rain, so do not wait for the rain to begin before suspending activities.

3. SEEK SAFETY—Use the 30-30 rule: at the very latest, seek safety when thunder and lightning are separated by 30 seconds (when the storm will be 5-6 miles away), and do not resume activities for 30 minutes after the last observed lightning or thunder (when the storm has passed 10-15 miles away).

4. IF CAUGHT OUTDOORS - Avoid water. Avoid high ground. Avoid open spaces. Put down your Clubs, and avoid contact with anything that contains metal, including golf bags, golf carts, umbrellas, electric wires or fences. Open golf carts do not afford safety.

5. AVOID TREES—Do not stand underneath a natural lightning rod such as an isolated tree. Move away from any tree to a distance that is twice the height of the tree.

6. IF LIGHTNING IS STRIKING NEARBY when you are outside, you should:

- Crouch down with your feet together. **Do not lie down.**
- Place your hands over ears to minimise hearing damage from thunder.
- Avoid proximity to other people - keep at least 15 feet apart.
- Do not huddle together.
